Nadolig heb Wifi!

Unwaith eto eleni fe gawsom wledd o gyngerdd Nadolig. Rhannodd y plant neges werthfawr am bwysigrwydd treilio amser gyda'r teulu a ffrindiau yn ystod cyfnod y Nadolig—a throi'r sgrîn bant! Cafodd pob plentyn y cyfle i berfformio ac roedd pawb wrth eu boddau yn actio, llefaru, canu a dawnsio.

Christmas without Wifi!

Once again this year we were treated to a fantastic Christmas Concert. Every child had the opportunity to perform and everyone loved acting, singing and dancing. A valuable message was shared— that it is important to spend time with family and friends over Christmas, and to turn the screen off!

Our celebration of our theme work was a Second World War display for the community. It was fantastic to see our pupils sharing their knowledge and showcasing their learning so confidently to members of the community and their families.

The children in Gwenllian's class have had a festive and busy Christmas season! They learned about the story of *Babushka* and collaborated on a fun community project—a Babushka Toy Mouse Hunt for the village. The children explored the village to find hiding spots for the toy mice, created posters to promote the event, and prepared question sheets for participants. They practiced their map skills by marking hiding spots and wrote emails to request prize donations. The hunt is still open until 3 pm on December 23rd. Leaflets are available for £1 at the village shop. Don't miss out on the fun! In addition, the children have been making Christmas crafts and designing cards using Adobe software. They even wrote and performed their own Christmas raps, showcasing their creativity.
